

Ideas **"Take-Off"** with Youth Services

Do you have an idea for turning your talent or passion into a youth program or activity?

SHARE

Fill out the "Launch My Idea" proposal form (available online or EHS guidance office) and email it to Youth Services.

PLAN

Meet with the Youth Services staff for a brainstorming session to develop a detailed plan.

LAUNCH
my idea

A large, jagged yellow starburst shape with a thick orange outline. Inside the starburst, there is a glowing yellow lightbulb with a grey base, emitting a trail of white smoke or motion lines that curves downwards and to the right. The word "LAUNCH" is written in large, bold, orange capital letters, and "my idea" is written in a smaller, dark grey, lowercase font below it.
